Executive Director MEMORANDUM FOR:

EROM

Clair E. George

Deputy Director for Operations

SUBJECT

Exemptions from the Executive Development

Core Course

- 1. It is requested that those newly promoted SIS-1 officers from the Directorate of Operations who are stationed overseas be exempted from the 10-21 September 1984 running of the Executive Development Core Course. I believe you will agree that the cost and operational upset caused to their Stations is such that the Agency would benefit more from their taking this course upon their return from their current assignments.
- The DO officers most recently promoted to SIS-1 who are currently stationed overseas are as follows:

a.	
b.	
c.	
đ.	
е.	
f.	
g.	

3. Current projections are that if the above officers are exempted from this running of the Executive Development there will be nine DO officers attending.
